Class 2 Autumn 2022:

Morley

Derby Around the World

Half Term 1: We are Morley

Half Term 2: Derby Around the World

Our Curriculum Intent:

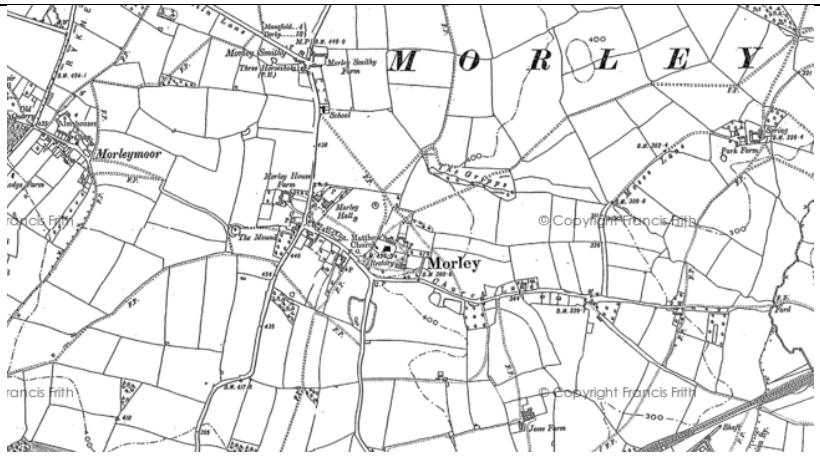

To foster children who are aware of the world and their position within it by knowing how lucky they are and how others are far less fortunate. To actively be able to look out for, support and show kindness and empathy towards others, so they become citizens of the world whose aim is the betterment of society. To know and to be proud of where they are from and to fluently use a wide range of appropriate vocabulary when discussing and writing across our wide curriculum.

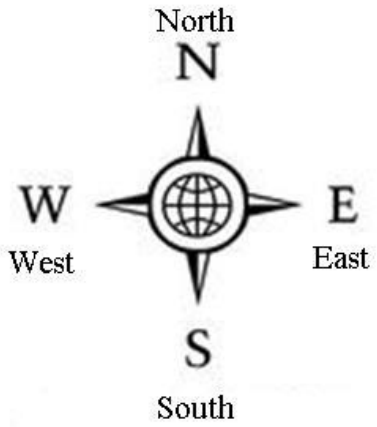

During this curriculum focus, the children will first learn about their immediate locality by taking part in practical fieldwork to discover first-hand what makes Morley a great place to live. Later in the topic, they will learn about the features of North and South America and will compare it to their own local geography. The children will make links with how our relatively small town of Derby has impacted on the Americas. They will find out about the act of deforestation in the Amazon rainforest and how it is affecting thousands of plant and animal species to inspire them to campaign against it for the good of our world.

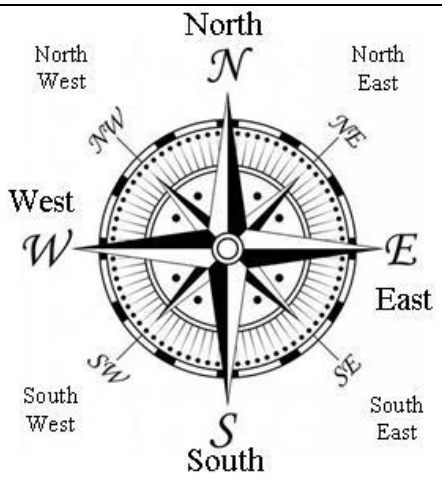

Morley Journey	
Whole School	
Class 1	Morley compared to a non-European city – children have had experience of comparing Morley to a more diverse area.
Class 3	During the 'Are We Looking After Our World?' and 'Journey Around the World' curriculum foci, children will have a clear understanding of key features of physical and human geography which children will apply to their Greek/England comparative study.
Subjects	**Areas Covered**
English/Books	Charlie and the Chocolate Factory Between the Towers
Science	Y3 Plants Y3 Animals, including Humans.
History	A non-European society that provides contrasts with British history – Mayan civilization c. AD 900.
Geography	Use fieldwork to observe, measure, record and present the human and physical features in the local area. Compass points, symbols and keys on a map. Using Ordnance Survey maps. Locate the world's countries, using maps to focus on North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.

	Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom and a region in North or South America.
Art	Local landscapes – Iain Mackay
D&T	American Food
Music	Developing Notation Skills - Charanga Wider Opportunities - Flute
Computing	E-safety: Self-image and identity and Online Relationships.
RE	LT. 7 What does it mean to be a Christian in Britain today? L2.1 What do different people believe about God?
PHSE	Being Me in My World Celebrating Difference
Enrichment	Chatsworth House Mr Pumpkin Geography fieldwork in local area

Key Knowledge: We Are Morley

What I should know at the start of the topic	• That Derby is located in England in the UK. • The location Derby on a map of the UK. • How to use basic geographical language to describe a place. • How to use simple compass directions, locational and directional language. • How to use simple fieldwork and observational skills to study the geography of our school.
Significant People	• Jim Campbell – Derby inventor and scientist OBE. • Joseph Whittaker, botanist, lived and died in Morley. • Roald Dahl – schooled in Repton, Derbyshire.
Derby	• Mr Pumpkin is a farm in Morley which plants and sells a wide variety of pumpkins at Halloween. Class 2 will visit to learn more about what helps plants to grow well.
Key Information	• Morley is a village and civil parish within the Borough of Erewash in Derbyshire, England. It is on the eastern side of Morley Moor, with Morley Smithy to the north. The parish church of St Matthew is a grade I listed building and stands near Morley Hall. The church features a wall of stained glass depicting the story of Robert of Knaresborough along the north aisle which came from Dale Abbey in 1539 after the dissolution of the Monasteries. • Morley was mentioned in the Domesday book as belonging to Henry de Ferrers. • Local landmarks include St. Matthews Church, Morley Hayes, The Water Tower.
Diagrams	

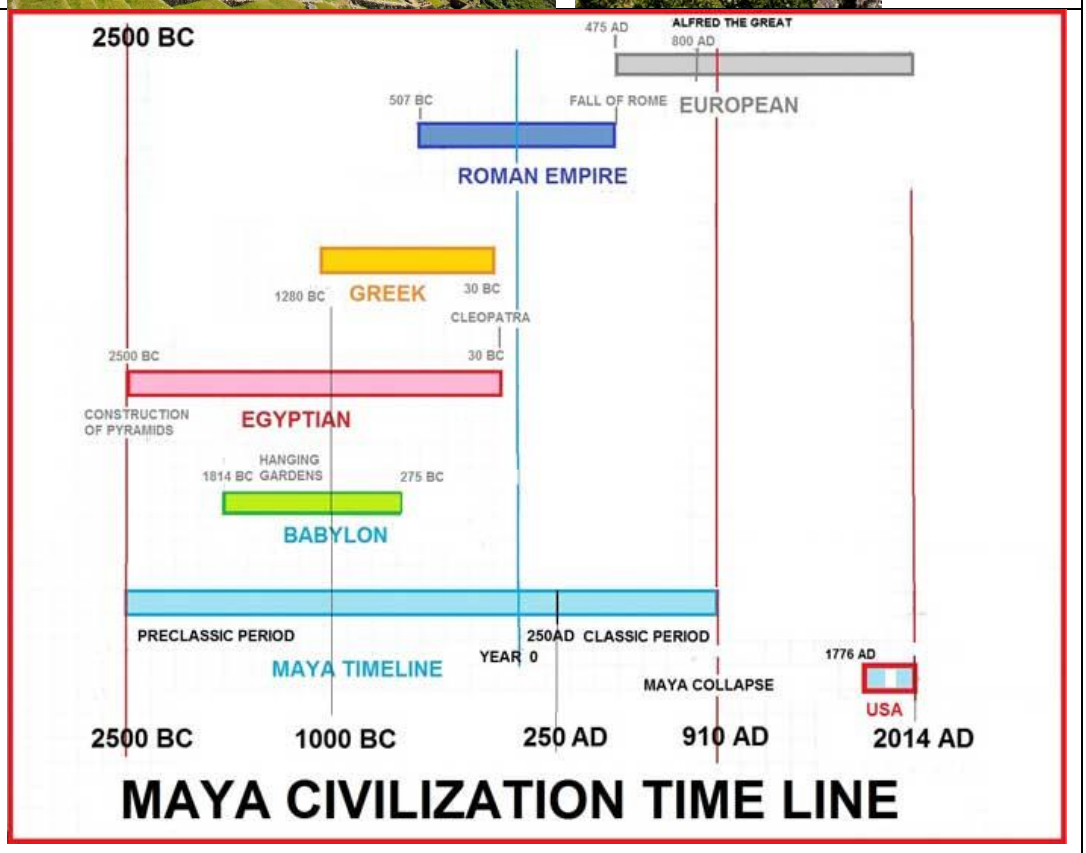

Vocabulary Ninja 	Arable farming	*The systematic use of land to grow crops.*
	Agriculture	*Producing crops or raising livestock*
	Botanist	*A person who specializes in botany (plant life).*
	Community	*A group of people with common interests, especially when living together.*
	Environment	*The circumstances, conditions, or objects by which one is surrounded.*
	Fieldwork	*Practical work conducted by a researcher in the natural environment.*
	Landscape	*A picture of natural scenery.*
	Leisure	*Time spent pursuing hobbies*
	Locality	*A place and its surroundings.*
	Ordnance survey	*The national mapping agency for Great Britain.*

	Retail	*The sale of products.*
	Rural	*Relating to the country, country people or life, or agriculture.*
	Scale	*A divided line on a map indicating the length used to represent a larger unit of measure.*
	Symbols	*A letter, character or sign used instead of a word or group of words.*
	Urban	*Relating to being a city.*

Key Knowledge: Half Term 2
Derby Around the World

What I should know at the start of the topic	• Who Christopher Columbus was and about how he discovered America. • How to compare the simple human and physical features of our immediate locality with that of a contrasting locality.
Significant People	• Barack Obama • Walt Disney • Philippe Petit – The Man who walked between the Towers (in 1974)  • K'inich Janaab Pakal (Pakal the Great) was king of Palenque for 68 years, longer than any other ruler in the Ancient Maya world.
Derby	• Derby Arboretum, also known as Arboretum Park and The Arboretum, is famous for being England's first public park. It's Grade II*-listed and inspired the design of New York's Central Park.  • Harry M Stevens, born and raised in Derby, invented the hot dog. He and his family emigrated to Ohio in the 1880s and he catered at major baseball league games. He sent out his salesmen to buy up all of the 'dachshund' sausages they could find, along with rolls to put them in, and encouraged his vendors to go round the ground shouting "They're red hot. Get your dachshund sausages here".

	
Key Information	• The Americas are two separate continents consisting of North America and South America. They cover a huge area of the globe, extending over several lines of latitude and longitude. The characteristics of the many different countries and regions vary significantly, including temperature, rainfall, vegetation and land use. North America contains 23 countries. There are several wonders • National Parks in North America e.g., Yellowstone and their importance. Consider the effects of urbanisation on wildlife. • The Amazon Rainforest covers 5.5 million square km (but previously covered a much larger area). It spreads over nine countries. More than half of the world's species of plants and animals are found in the rainforests. Deforestation is the clearing, or cutting down, or forests. Without the forest, the habitats of the animals are lost and many animals die. It also results in global warming. The Maya civilisation is split into two stages – the archaic period and classic period. • Chichen Itza, a temple built by the Mayan people is one of the Seven Wonders of the World  • Machu Picchu and Christ the Redeemer (links to RE)
