Morley RSHE News

Feedback from survey and next half term topics

Firstly, a 'Thank you' to all of you who took the time to complete the survey. Your responses will help myself and the school take the next steps towards ensuring that you are kept up to date with new developments and have the support you need to have those important discussions with your children.

The responses from the survey showed that:

1. Aware of laws relating to the teaching of RHSE

2. Have read the school RSHE policy

3. How you would like to be informed about RSHE

4. How we can support you

In response, we will be creating a table of some of the resources and information we use in school for you to look at whilst waiting for your Parent Evening appointment and we will be adding more detail to the PSHE section on our SWAY pages each half term.

I will be establishing the working party after Easter. Thank you to those who have already volunteered to join, if you wish to help please message via Dojo or speak directly.

We will begin by looking at our policy and how we can inform you about the Summer 2 topic ‘Changing Me’ which will include the sex education section of the guidance.

For the future, I will be establishing a lending library of books which can be used to support discussions on different topics, updating the school website to include links to support materials and I will be continuing the newsletters to keep you updated on any new developments.

Mrs Willis
RSHE Co-ordinator
